

CHERRY BOMB CATERING, LLC

2020 Summer Covid Response

Full Service Events. July thru August.

Service Style:

- NO family style service at this time.
- Plated dinners at established Venues with kitchens Only
- Buffets: Cherry Bomb will provide clear acrylic barriers. Plates will be behind the buffet where servers will dish the food and place at the end of the table to limit contact.
- Portable handwashing station will be provided at the beginning of all buffets for guests.
- Dining ware and glass ware is not to be preset on seating tables. Guest will receive their plate, glass ect when served from bar, stations or buffets, from servers. ALL stations, bars ect. must be manned by a server. NO self service
- All lines will follow social distancing guidelines
- Only one table may come up to the buffet at a time, thus potentially increasing the time of service for buffets. Strict releasing of tables 1 at a time will be enforced.
- All servers will be wearing masks & gloves while on property and during service. They will also be given temperature checks upon arrival to for their shifts. Added hand washing stations will be provided by Cherry Bomb Catering for staff.
- Seating charts are now required for all weddings moving forward that have food service delivered to each table.
 - Client is advised to group all families at each table
 - For couples, we are advising that they either put them at a round of (4) ppl for social distancing or check with them to see if they are comfortable being seated with more than that at their table
 - Client is required to make sure that their guests in attendance are comfortable with their seating chart prior to arrival
- NO grazing tables or self serve appetizers.
- Passed apps are the preferred way of appetizer service. We have individual covered solutions...boxes, spoons cups ect.

We have been working closely with a varied group of vendors, venues and health professionals to ensure we are serving you and your guests as safely as possible. We will be updating our policies as new information and guidelines open up. We understand these are extreme measures but you and your guests health is our highest priority.

Please sign acknowledgement below that you have read these new requirements
